FEE DEFICIENCY OR OVERPAYMENT

NOTE: Where there is a fee deficiency and there is no authorization to charge an account, additional fees are necessary to cover the additional time consumed in making up the original deficiency. If the maximum, six-month period has expired before the deficiency is noted and corrected, the application is held abandoned. In those instances where authorization to charge is included, processing delays are encountered in returning the papers to the PTO Finance Branch in order to apply these charges prior to action on the case. Authorization to charge the deposit account for any fee deficiency should be checked. See the Notice of April 7, 1986, (1065 O.G. 31-33).

5. If any additional extension and/or fee is required, charge Account No. 12-0425

AND/OR

If any additional fee for claims is required, charge Account No. 12-0425

AND/OR

Refund any overpayment to Account No. <u>12-0425</u>.
